Celebrity's Solstice-Class Ships

Step aboard two of the four magnificent Solstice Class ships to partake in PRIDE Travel's Taste of the Vineyards Events. The Eclipse sails roundtrip out of Miami in February and the Equinox sails out of Civitavecchia, the port of Rome in June. Stretching over 1000 feet, with 15 decks, these vessels are the largest in the Celebrity fleet while offering a truly innovative experience.

Come inhale the fragrance of a beautifully manicured lawn, watch glassblowers create art before your very eyes, or dine in restaurants capturing your every mood. Abundant natural light dramatically invigorates carefully chosen color palettes, while expansive open areas invite the sounds and smells of sea breezes and the warmth of the sunshine.

Whether you're celebrating one of life's milestones or it's simplest pleasures, Solstice Class offers a vast assortment of refreshingly innovative dining experiences, complemented by one of the world's most expansive floating wine cellars, rivaling anything found on sea or land.

Relish the dramatic sparkle of the Grand Epernay Main Dining Room, whose extensive champagne menu helps recreate the feel of a Hollywood venue. Treat yourself to one of the exceptional specialty restaurants, like the Italian inspired Tuscan Grill or Silk Harvest for an Asian Fusion creation. Try something lighter and less formal, such as a freshly baked scone in Café al Bacio & Gelateria or a freshly made crepe from Bistro on Five.

Nightfall is more than a time to go out, it's a chance to immerse yourself in a myriad of places designed to elevate your evening. Follow the allure of excitement after dark, slip into a classic cocktail in the Martini Bar, or move to Crush, where ice filled tables unite the tastes and textures of vodka and caviar, then venture further to Quasar, an excitingly refreshing nightclub where retro styling fuses with contemporary rhythms to create a pulsating energy. Finally ascend to the Sky Observation Lounge, where a canopy stars seems just out of your grasp or alternatively end the evening with fortune's smile in Fortunes Casino.

Rome (Civitavecchia), Italy Once the center of the ancient world from which emperors ruled over nearly all of western civilization for hundreds of years, Rome is still considered by many to reign over all other European destinations. Here you can breathe the air once breathed by great Roman gladiators in the ancient halls of the Coliseum. Gaze upon the very ceilings Michelangelo painted at the Sistine Chapel. Or visit a monument to both size and faith, St. Peter's Basilica, the largest church ever built.

Sicily (Messina), Italy Located in northeastern Sicily, on the slopes of the Peloritani Mountains, Messina is an ancient place with a fascinating history. Walk by the ruins of the Santa Maria Alemanna church, built in 1220 by the Teutonic Knights. You'll also want to see the Duomo, a Romanesque and Norman cathedral that includes a display of artifacts in its treasury.

Athens (Piraeus), Greece Your adventure in Athens begins five miles southwest in Greece's largest seaport, known as Piraeus. While here, be sure to take notice of what is considered to be one of the greatest contributions from the ancient Age of Pericles, the city's infrastructure, which today we know as a city block.

Ephesus (Kusadasi), Turkey Nestled along the craggy shores of the Aegean Sea is the Turkish port of Kusadasi. Renowned as one of the most beautiful cities along the Aegean, Kusadasi is blessed with sunshine an average of 300 days a year. This beautiful city is the perfect setting to begin your journey to Ephesus.

Rhodes, Greece Rhodes, the friendliest city in the Mediterranean, welcomes you with seemingly eternal sunshine thanks to more sunny days than any other place in Europe. Situated at the island's most northern point, Rhodes' only neighbors on the east and west are gleaming blue seas. This sunny retreat is also home to many historic sites ranging from the ruins of the Temple of Venus to the medieval Street of Knights.

Santorini, Greece 35.25 degrees north. 25.20 degrees east. Perfection has coordinates. Here on Santorini, you'll find whitewashed houses accented by roofs of the bluest blue - there's no doubt that azure waters of the Aegean have served as creative inspiration. Among the many historic sites on the island is the ancient city of Akrotiri, once buried under a thick blanket of volcanic ash over 3,600 years ago.

Mykonos, Greece Few places in the world compare with Mykonos. Here you'll find whitewashed houses clinging to cliffs against a backdrop of indescribably blue sea. Follow a maze of tiny streets, visit one of the world's most superb beaches, or see the mythical birthplace of Apollo, the island of Mykonos.

Naples/Capri, Italy Located on the southern coast of Italy, Naples has spectacular scenery that attracts artists from around the world. From this key spot, you can embark on a trip to the ruins of Pompeii or shop the many boutiques of Sorrento. You may work up an appetite for one of Naples' greatest inventions - pizza - invented to honor the Queen of Italy in 1889.
